

Access to Care/Periodontal Maintenance Category

A membership to increase affordability of preventive dental care to individuals without dental insurance

Perio Maintenance is a dental cleaning procedure meant to help individuals maintain periodontal disease after advanced periodontal treatment/instrumentation. Individuals fall under this category generally require more frequent maintenance at 3-4 times a year.

Membership Plan For: _____

Recommended Recare Interval: _____

Base Fee: \$499.00

Includes:

- 2 Periodic Oral Evaluations (Exams)
- 1 Digital X Ray Survey (up to 6 images)
- 2 Periodontal Maintenance
- 1 Full Set of Xrays every 5 years
- 2 Fluoride Treatments (optional)

If an individual requires a Periodontal Maintenance frequency beyond the 2 included, additional Periodontal Maintenance cleanings will be at \$175/visit.

All restorative treatment will also be provided at a 15% discount for payment at the time of service.

- Treatment to be completed within an individual's ATC calendar year (making allowances within 1-2 months for scheduling variances).
- Once every 5 years a Full Mouth Radiographic Survey (up to 18 images) will be required and be covered under this plan.
